

How can I be an

outstanding learner?

**Being independent and getting the most out of your
education.**

Positive & Resilient

I am always **positive** and I make excellent contributions to lessons.

I am always **resilient** and complete my class work to the best of my ability.

DO
YOUR
BEST

- If you are struggling with your work, don't give up! Ask for help or join an after school club to get better at that skill.
- Learn from your mistakes. Everybody makes mistakes but it's important that you learn from it so that you won't do the same thing again.
- Don't beat yourself up when things go wrong.

Responsible

I am always **responsible**
and I can show I have
made excellent progress
in lessons

You are always
responsible for how
you act, no matter
how you feel.
Remember, that.

- Take responsibility for your actions. If you have done something wrong, own up and take the consequences, then be ready to move on.
- See a teacher **before** the hand in date if you don't understand your homework
- Go to bed at a reasonable hour and make sure you get enough sleep! This is vital for keeping your brain in good working order.

I always have **pride** in my learning.

- Take pride in your uniform. Come to school looking smart and ready to learn.
- Make sure you take pride in your planner and keep it in excellent condition with no graffiti or rips. If your planner becomes untidy buy a new one on My School Rewards.
- Always be ready to answer questions and raise your hand more often. Be proud to stand out for the right reasons!

Prepared

I am always **prepared**
and I bring the correct
equipment to my
lessons.

**BY FAILING TO PREPARE,
YOU ARE PREPARING TO FAIL.**

- Always eat a healthy breakfast. This will help you to focus on your lessons instead of thinking about what to have at break.
- Remove anything that distracts you when doing homework.
- Bring everything you need with you to class (pack your bag on a night and double check that you have what you need).
- **Get organised.** Staying organised in school is really important. Use your planner to help you to do this.

Independent

I am always **independent** and complete tasks that are set beyond the classroom.

- Try to complete tasks alone before asking for help.
- Start to read a little more in your own time. Reading the news can give you ideas that you will be able to use in your school work.
- Ask a parent, carer or older sibling to look over your homework before you hand it in.

Polite & Respectful

I am always **polite** and **respectful** to the teacher and other students

- Show others the same respect that you expect in return.
- Don't push and shove other students in the corridor.
- Look after the school environment so that everyone can be comfortable and safe here. Pick up after yourself at lunch and don't drop litter.
- Respect the views and opinions of others, even if they are different to what you think.
